Please note: Many animals (hare, deer, birds, etc.) live in the Chnodenwald forest. To protect animals and nature, we ask you:

- > **To respect nature.**
- > **Not to leave the HüPfad trail.**
- > **Not to pull out any plants and not to leave any plants or animals in the forest.**
- > **Take your waste with you.**

The HüPfad trail is a forest experience park carefully integrated into the forest landscape under the motto 'Integration instead of intervention'. At nine stations, you can explore, experience and enjoy the forest and nature.

Verein Hü+

Founded in 2014, Verein Hü+ is responsible for the maintenance of Hünenberg's thematic trail and HüPfad. If Hünenberg is also near and dear to you, feel free to become a member. As a Hü+ member, you can assist, take part and co-create. You are regularly invited to various events so that you can learn Hünenberg and its inhabitants better.

The annual fee costs CHF 20.00 for individuals/families and CHF 50.00 for companies.

Hünenberg's Thematic Trail & HüPfad

On the occasion of the 600th anniversary in 2014, three of Hünenberg's organisations (Korporation, Civil Community and Municipality) and sponsors created the thematic trail and the HüPfad on the highest point of Hünenberg.

Hünenberg's Thematic Trail

The thematic trail leads across Hünenberg in a horizontal eight: from the village square through the Chnodenwald forest to the lake and back (eastern route) or past the castle ruins to the River Reuss, by the customhouse and across the Wart junction back to the village centre (western route), passing playgrounds, grill areas, restaurants and especially rewarding viewpoints.

At 27 trail stations, you can find descriptions in German covering major topics from Hünenberg's history, business, agriculture, life and architecture so that your pleasurable stroll with your whole family could potentially turn into an informative jaunt. On each information board, you can find a QR-Code, which will refer you to up-to-date information on our website www.hueplus.ch (German only).

The thematic trail is only marked in one direction. You can walk it on foot or partially pushing a buggy/riding on a kick scooter.

In the Chnodenwald forest, on Hünenberg's highest point, you will find the HüPfad forest playground experience, which will appeal to all your senses.
